About Us

Our History

Over the decades, snacking has become a deeply rooted notion in the Egyptian culture. Committing to providing the best snacking experience to every Egyptian household, **Egypt Foods** has worked tirelessly, since its establishment in 1999, towards providing **the highest quality snacks** to consumers.

With 21 years of experience, **Egypt Foods** has expanded its production capacity to become a leader in **corn snacks manufacturing** in Egypt and the MEA Region.

Egypt Foods's first product, "**Kalbaz**" corn puff snack, was launched in 2000 and has ever since become a much-loved snack to all Egyptians.

Egypt Foods has been revolutionizing the snacks industry since 2001, when the Group started manufacturing confectionery products in **5 different** categories, through **22 products**.

From then on, the company kept expanding its business operations to reach **33 products**, including Wezo, Gero, Star, and Choco Shots, among many others.

The company has been achieving significant milestones in its snacks manufacturing journey.

In 2004, **Egypt Foods** ventured into the potato chips category by launching **Tiger**, which grew fast to become one of the key players in the category and the leader in wavy potato chips subcategory.

In 2006, **Egypt Foods** expanded its snacks portfolio to include pellets, manufactured under **Cono**.

Cono was relaunched in 2019 with a wider range of puffs and popcorn in addition to pellets.

In 2013, there has been a **50%** increase in Extruded Snacks production.

Then, in 2016, **Egypt Foods** introduced cake products into the market.

The latest addition to the company's portfolio was in 2018 with **Rusky**, a baked bread snacks with bold and unique flavors, setting it apart from competition and strengthening its market position.

In June 2020, **Egypt Foods** launched the confectionery as a separate business unit from its salty snacks business; and in October 2020,

Tiger Egypt's #1 Ridged Potato Chips, launched in 2004 to redefine snacking with its signature ridged texture, offering a satisfying crunch and richer taste experience.

Tiger owns the crunch and drives innovation in the ridged potato chips segment. Through bold, inventive flavors, to strengthens its core product line while expanding into premium offerings, **Tiger Excellence, ChipStix** and **kettle cooked** to meet the diverse needs of consumers.

In 2023, **Tiger** elevated the snacking experience with its premium range:
Tiger Excellence: Crafted from fine, hand-picked potatoes, these deep-ridged chips are marinated before frying, delivering an extra-thick, ultra-crunchy bite with an explosion of premium flavor.
Tiger Kettle Cooked delivers the finest ridged chips. Crafted with precision to offer unmatched crunch and wildly intense flavor. Each chip is marinated before cooking for an even crispier bite. Then kettle-cooked in 25% less oil – for a lighter, better-for-you indulgence.

Tiger Chip Stix: A smarter snacking choice, with **30%** less fat and Gluten-free ingredients, offering the same great taste with a lighter feel.

By **2021**, bigger packs and stronger flavors were relaunched for **Tiger**.

Tiger continues to set the standard, combining crunch, flavor, and innovation to stay at the forefront of Egypt's potato chips market.

With regards to **Tiger** persona, **Tiger** the disruptor brand that empowers youth to get out of their comfort zone, break boundaries in a good way, overachieve and exceeded expectations and still have fun.

After obtaining the leadership in the ridged PC market, **Egypt Foods** decided to enter the flat PC category seeking the same success. **Big Chips** is a **100%** natural fried flat potato chips product that gives to the consumer a crunchier bite, and more intense flavors.

Big Chips has a unique flavor range; Kebab, Mexican Salsa, Salt & Vinegar, Sweet Lemon, Seasoned Cream, Fiery Lemon, Sweet Ketchup and Seasoned Cheese. It is a differentiated high quality thicker and crunchier chip that is full of flavor.

In 2023, **Big Chips** launched **Kettle Cooked**, a premium range, with a diverse range of flavor. In 2023, **Big Chips** launched **Kettle Gold**, a premium range, with a rich golden crunch & two bold flavors.

The **1st** **GLUTEN FREE** chips in the Egyptian market, **25%** less fats

In January 2022, **Egypt Foods** launched **Jaguar corn snacks** in line with the company's diversification strategy. Today, **Jaguar** takes leadership in the corn market in Egypt.

Jaguar stands for innovation & quality, always hitting shelves with new signature shapes and flavors that reflects being a top player in the corn category.

Jaguar launched its premium range in 2022;
